The Elite Daycare Center Parent Contract

Dear Parents,

Thank you for enrolling your child in The Elite Daycare Center. Our goal is to provide high quality, safe, nurturing environment for you child(ren). We named our daycare the elite because elite means the best and that's exactly what our goal is for your child. For them to be their best.

My goal is to provide a high quality, nurturing and safe environment for your children that will help him/her grow into a wonderful curious and happy person. The Elite Daycare maintains a structured program concerning the daily activities, curriculum, scheduled meals and rest periods. We believe children thrive when their lives are predictable and structured.

Your child will be exposed to an exciting theme based program that includes a variety of writing, math, music, science, story time, art and crafts, indoor/outdoor activities and free play. All activities are designed to stimulate their physical, intellectual, social and emotional growth in a loving and comfortable environment. We support children's early learning and exploration through engaging, age-appropriate materials and encourage pride in work by displaying projects. We expose children to new, classic and enriching picture books as well as opportunities to retell favorite stories that give children a love of books before they even start reading. Pre-writing skills start with finger painting and are enhanced by opportunities to experiment with writing activities. Children learn valuable lessons in sharing and cooperation while interacting together on the play ground.

As a partner in your child's development, I will do everything in my power to keep the lines of communication open. My interaction with you is important as my interaction with your child. You are welcome to visit and/or participate in our daycare at any time. Feel free to call at anytime during the day or set up an appointment with me after hours to discuss any problems or suggestions you have concerning your child's development.

Thank you for choosing The Elite Daycare for your child's physical, emotional, social and academic needs.

Sincerely,

Maya Hodgson MSW

Histoy

The Elite Daycare Center is a founded on the principle that every child deserves the opportunity to be an Elite. The definition of Elite is a select group of people that is superior in terms of ability or qualities to the rest of the group. We want every child that comes through our doors to have the opportunity to be just that they're best selves. Through positive reinforcement, self esteem building and implementing the Elite philosophy;

E Empower the children to be their best selves	Self Esteem
L Lead the children by remodeling Elite behavior	Role model
I Impact their lives	Relationship
T Teach the children values that will last a lifetime	Values
E Evaluate ongoing for continued success	Assess

Mission Statement

At The Elite Daycare Center, we believe in the value and uniqueness of each child we serve. Our childcare experience is designed to promote each child's own individual social, emotional, physical, and cognitive development.
As caregivers and educators, our mission is to provide a safe and developmentally appropriate learning environment, which fosters a child's natural desire to explore, discover, create, and become a lifelong learner.

Philosophy

Our program is built around the concept that every child has the opportunity to be an Elite. We believe that core values are As caregivers, we strive to create a learning environment that is safe, stimulating and encouraging. The following principles are the foundation for our curriculum.
• Children develop knowledge of their world through active interactions with caregivers, peers, materials, and events.
• Learning is sequential, building on prior understandings and experiences.
• Learning proceeds at different rates in each area and each child; children will show a range of skills and understandings in any one area of development.
• Learning in each area is interconnected. Young children learn best through experiences, which incorporate several areas of development.
• Learning is embedded in a culture. Children learn best when their learning activities are rooted in a familiar cultural context.
• Learning begins in the family, continues in early care and education settings, and depends on parent involvement and caregiver guidance.
• All children have the potential to achieve the New York Learning Standards with appropriate supports and instruction.

Administration

Hours of Operation

The Elite Daycare is open Monday through Friday 7am- 6pm. Hours of care will be contracted from child to child. Childcare will not be provided on the following holidays;

New Years Day
MLK
Presidents Day
Good Friday
Memorial Day
Juneteenth
Independence Day
Labor Day
Thanksgiving
The Friday after Thanksgiving
Christmas Eve
Christmas Day
New Years Eve

*In the event at Christmas Day or New Years Day falls on a Saturday, the facility will be closed Friday the day before. If Christmas Day or New Year's Day falls on a Sunday the facility will be closed Monday the day after. *

What makes us Elite

Being that we are The Elite Daycare Center we want to make sure you child has an Elite experience so we make sure to provide;

Individualized care

School age Workshops

All staff CPR and First Aid trained

All cribs are evacuation cribs

More than 50% of staff are credentialed

Structured environment

Brand new center

Positive environment

Elite role modeling

Individualized Goal Plans

At The Elite Daycare Center we strongly value your child's development and fully understand that each child develops at their own pace. This is why we develop individualized goal plans where we have play with purpose specified to your child's needs. We designate time in the schedule each day to dedicate to each child's development to ensure that the pay continue to learn as they grow.

Workshops

For our school age kiddos we have workshops throughout the year addressing different topics that are relevant to this age group. Some examples are bullying, honesty, self esteem. We give the children tools for success while allowing them to discuss any feelings or experiences they might have had. Each school age child will receive a positivity journal. We want to encourage each child to be encouraged to see the positive things in their lives.

Payment Procedures

Payment is due the Friday before the first day of care.

If payment is not received when due, a $10 late payment fee per day that the payment is not received.

There is a $30 fee for any returned checks.

Care will be terminated after one week of non payment. If you are having difficulty making your payment please let staff know and make and arrangement.

Although the daycare is open from 7am-6pm the full time rate is based on a 9 hours daily maximum. There is a separate fee for any additional care needed.

Children left in our care beyond the negotiated pick up time will be charged $2 per minute after the scheduled pick up time.

Children left in our care past our stated closing time, 6pm, will be charged $3.00 per minute per child. A telephone call to the center, if an emergency arises, is appreciated and will be considered in assessing this fee.

Payment is due regardless of a child's absence for any reason, these include children's illness, family illness, doctor's appointments, parent's days off work, planned vacations etc. Fees will not be reimbursed or credited for these days.

The center may close for situations beyond our control, for example: snow, ice, flood, electrical/heat difficulties, vacations etc. Payment is due and fees will not be reimbursed or credited for these days.

I understand this contract may be terminated with a 14 day (2 weeks) written notice. Payment is the parent/guardian's responsibility for the 14 day (2 weeks) regardless of child's attendance.

I understand that The Elite Daycare reserves the right to terminate the childcare contract without notice if the safety of any child or staff is compromised for any reason.

Wellness Policy

At The Elite Daycare we care for;

Well children or

Mildly ill children who are able to participate in the routine program activities with minor accommodations. A child who meets any of the following criteria is defined as “mildly ill”:

• The child has symptoms of a minor childhood illness which does not represent a significant risk of serious infection to other children.
• The child does not feel well enough to participate comfortably in the usual activities of the program but is able to participate with minor modifications, such as more rest time.
• The care of the child does not interfere with the care or supervision of the other children.

The definitions above do not include children who are protected under the Americans with Disabilities Act (ADA). The Elite Daycare will consider each child’s case individually and comply with the requirements of the ADA.

The child is too ill to participate in program activities.

• The illness results in a need for care that is greater than the staff can provide without compromising the health and safety of other children;
• An acute change in behavior – this could include lethargy/lack of responsiveness, irritability, persistent crying, difficult breathing, or having a quickly spreading rash;
• Fever:

- Temperature above 101°F [38.3°C] orally, or 100°F [37.8°C] or higher taken axillary (armpit) or measured by an equivalent method, AND accompanied by behavior change or other signs and symptoms (e.g., sore throat, rash, vomiting, diarrhea, breathing difficulty or cough).
- Under 6 months of age: Unexplained temperature above 100°F [37.8°C] axillary (armpit) or 101°F [38.3°C] rectally (caregivers are prohibited from taking a child’s temperature rectally) should be medically evaluated.
- Under 2 months of age: Any fever should get urgent medical attention.
- Diarrhea:
- Diapered children whose stool is not contained in the diaper or if the stool frequency exceeds two or more stools above normal for the child.
- Toilet-trained children if the diarrhea is causing soiled pants or clothing.
- Blood or mucous in the stools not explained by dietary change, medication, or hard stools.
- Confirmed medical diagnosis of salmonella, E. coli, or Shigella infection, until cleared by the child’s health care provider to return to the program.

• Vomiting more than two times in the previous 24 hours, unless the vomiting is determined to be caused by a non-infectious condition and the child remains adequately hydrated.
• Abdominal pain that continues for more than two hours or intermittent pain associated with fever or other signs or symptoms of illness.
• Mouth sores with drooling unless the child's health care provider states that the child is not infectious.
• Active tuberculosis until the child's primary care provider or local health department states child is on appropriate treatment and can return.
• Streptococcal pharyngitis (strep throat or other streptococcal infection), until 24 hours after treatment has started.
• Head lice until after the first treatment (note: exclusion is not necessary before the end of the program day).
• Scabies until treatment has been given.
• Chickenpox (varicella), until all lesions have dried or crusted (usually six days after onset of rash).
• Rubella until six days after rash appears.
• Pertussis until five days of appropriate antibiotic treatment.
• Mumps until five days after onset of parotid gland swelling.
• Measles until four days after onset of rash.
• Hepatitis A virus infection, until the child is approved by the health care provider to return to the program.
• Any child determined by local health department to be contributing to the transmission of illness during an outbreak.
• Impetigo until treatment has been started.

In the event that your child demonstrates symptoms where they are too ill to participate in activities you will be contacted immediately via telephone call and or text. The staff will continue to contact you until contact is made. Within this packet you will identify additional emergency contacts that will be contacted in the event that you are not immediately available. The ill child will be separated from the well children if warranted. The child's symptoms will be monitored continuously. If the child's symptoms worsen while waiting to be picked up the child's parent/ emergency contacts will be contacted for farther instruction. If the symptoms exacerbate to an emergent circumstance emergency procedures will be followed.

Emergency Procedures

At The Elite Daycare safety is our priority and will we take every measure to ensure your child's safety while in our care. Although your child will be supervised at all times, staff cannot prevent falls, tripping, bumps, blows from other children, etc. If the child is injured in a non threatening way, staff will assess the child and provide home first aid. All staff at The Elite Daycare all staff are first aid and CPR certified. In the event that the injury is a more serious medical emergency involving your child the following procedure will be followed;

- The staff will remain calm while reassuring the child (victim) and the other children at the scene.
- If the area is unsafe, the child(ren) will be moved to a safe location.
- The staff will follow first aid and/or CPR protocols.
- •The staff will call for emergency medical services, give all the important information. If an accidental poisoning is suspected, the National Poison Control Hotline will be contacted at 1-800-222-1222 for help.
- •The staff will follow instructions given by the emergency operator.
- The staff will send emergency contact information and permission to obtain emergency care when the child is transported for emergency care.
- After the needs of the child and all others in care have been met, the staff will immediately notify OCFS if the emergency involved death, serious incident, serious injury, serious condition, communicable illness (as identified on the New York State Department of Health list [DOH-389] accessible at health.ny.gov/forms/instructions/doh-389_instructions.pdf), or transportation to a hospital, of a child which occurred while the child was in care at the program or was being transported by a caregiver.
- The staff will notify the parent of the emergency as soon as possible. If the parent can't be reached, the child's emergency contact person will be contacted.

All costs associated with injuries to the child are the responsibility of the child's parent unless The Elite Daycare has been found negligent.

Evacuation Drills/Procedures

Evacuation drills will be conducted monthly. This is to ensue that the children are prepared in the event that we need to evacuate the daycare. In the event that the children need to evacuate the daycare the following procedures will be followed;

Every month alternating the primary and secondary exits, the children will conduct an evacuation drill.

The drill will begin by sounding an alarm. The children will be instructed that this is how we know there is an emergency and will following evacuation procedures. The primary Exit is the daycare entrance and the secondary entrance is through the back door of the daycare.

In the event that the ratio of children allows for one staff the staff will gather the attendance record, parent contact information, emergency supply kit and cell phone, ensure that all children that are ambulatory have lined up at the correct exit. From there the staff will assist the children with exiting the facility to the appropriate meeting place. Any infants will be evacuated in a crib with a maximum capacity of 4 infants per crib. From there the staff will take attendance to ensure all children have safely been evacuated from the facility.

During the evacuation drill the children will immediately be accounted for by staff where the children will be visible at all times. Attendance will be taken immediately after arriving at the meeting place.

The Primary Exit is the front door of the daycare and the meeting place will be on the sidewalk.

The Secondary Exit is the back door of the daycare. The meeting place is on the back grass and playground area of the daycare.

Staff will call and text each child's parent informing them of the situation and the situation as well as the location if the emergency does not allow for the return to the facility.In the event that parent cannot be contacted the staff will contacted persons listed on the emergency contact card.

Code of Conduct Discipline Policy

At The Elite Daycare your child's growth is our priority. We would like to see your child strive in all areas and to be an little Elite in every setting. The Elite Daycare's code of conduct. It is as follows;

We try to encourage each child to follow the schedule. Children always have a choice to follow the schedule or to participate in another appropriate activity. If a child is having a difficult time we first try to;

Re engage or redirect

We focus on do's rather that don't

Offer choices

Encourage children to use friendly words rather than physical acts

Praise positive behavior

Model desired behaviors in order for children to learn by example

Arrange the program space to positively impact children's behavior

Listen to children and respond to their needs proactively to achieve their goals

Involve the school age children in the development of the classroom

You will be notified if your child had a difficult day. If your child is continuously having a difficult time, a behavior contract and conference will be scheduled.

If the behaviors are dangerous pervasively challenging or disruptive to the daily schedule the child would need to be picked up. This may include pervasive crying, biting, dangerous tantrums or any behaviors that pose a safety concern to themselves or the other children. If the behaviors are pervasive a conference would need to happen before your child can return to daycare. If the behaviors do not improve or worsen, dismissal may be dismissed from the program.

Behavior Contract

We recognize the fact that children can have a difficult time correcting behaviors. For this reason we enforce a behavior contract when children are having a hard time while in care. Consistency and structure are two great ways to help with challenging behaviors. At the Elite Daycare Center, we use specific language to help motivate the child to behave while discouraging shaming. We also encourage each child to make good choices rather than bad choices as we don't want to label a child as good or bad. We want to encourage each child to make good choices while in care and discourage bad choices. We utilize rewards and consequences as a form of discipline. The behavior contract allows for your child to receive the same structure and discipline which will assist with correcting non desired behaviors.

Enrollment

The following activities must take prior to accepting your child's enrollment to The Elite Daycare;

Thoroughly read through the parent contract which clearly outlines policies and procedures. You are required to sign and date all designated pages in the contract as well as an acknowledgement that you have read and understood the contract.

All required supplies must be provided prior to your child's first day.

Your first week of childcare is paid for at the time of enrollment. Your child will not be enrolled until the first week's payment, all appropriate forms/consents are signed and an acquaintance visit has been made to the daycare.

Arrival

Upon arrival your child's temperature will be taken. If the temperature is over 101 the child will be be permitted to attend daycare that day. Inform the staff of any relevant information that may impact your child's day while in care. Please inform staff if there are any marks or bruises that we should be aware of. If your child is sleeping please wake them up before leaving from drop off. If your child is strongly attached to a toy or device we kindly ask that you not allow your child to have or engage during the ride to the daycare center in which the toy or device will be taken from the child upon arrival at the daycare. We want your child to have an excellent day and want to ensure they are set up for success.

Toys from Home

Children should leave all toys at home. Toys and activities provided at the daycare are carefully chosen to suit the ages of all of the children in care.

Dismissal

At The Elite Daycare Center, your child will only be dismissed to approved persons that the parents have consented to that are listed in your contract. Any changes to the approved people to pick up your child must be made in writing. If there is an emergency that doesn't allow for you to give consent in writing prior to the pick the parent must call or text the facility first and the person picking up your child must show valid ID.

Meals

While teaching and encouraging the children to make healthy choices we at The Elite Daycare Center provide nutritious meals for your children while in our care. We participate in the New York State Food Program. Registration for the program must be complete and dated prior to your child's first day.

Dress Code

At The Elite Daycare we follow an active curriculum. Sometimes the children will be engaging in activities where that may be messy. Whether permitting, the children will go outside daily or will be engaging in some type of physical activity. Please ensure to dress your child in appropriate and comfortable clothing. A change of clothing is required in event that your child's clothing become stained or soiled.

Toilet Training

At The Elite Daycare Center we understand that your child will spend a large portion of their day in our care. With that, we want to assist you in toilet training your child. We can use cotton underwear or pull-ups provided by the parent. Please ensure that if you would like the staff to assist you and your child in toilet training that you send your child in clothing that is easy to pull down until they are able to fully dress themselves independently. Also, while your child is toilet training, please remember to send in two additional change of clothes that will be sent home for laundering when soiled.

Birthdays

We love to celebrate birthdays at The Elite Daycare. We will have a mini party for your child on his/her birthday.

Termination of Care

Termination of care requires a two week notice from client. The Elite Daycare reserves the right to immediately terminate care for non-payment, failure to treat staff and facility respectfully, intolerable and disruptive behavior of a child, harmful physical or emotional behavior of a child,

or continuous inability to follow the code of conduct to the degree that appropriate structure can be maintained.

Transportation

Transportation is available for your child(ren) at The Elite Daycare Center for an additional cost. We provide transportation to and from the daycare at no cost for Bay Shore school district students that are enrolled full time on the daycare.

Before Care Transportation

If your child is receiving before care and is in need of transportation, your child will be picked up from the Center at 156 Sunrise Hwy West Islip, NY 11795. From there, you child will then be transported to their school as per transportation schedule. A transportation agreement needs to be completed by parent.

After Care Transportation

If your child is receiving after care transportation your child will be picked up from their school as per the transportation schedule and will then be transported to the Center at 156 Sunrise Hwy West Islip, NY 11795. A transportation agreement needs to be completed by parent.

Field Trip Transportation

During the summer we take field trips with the school age children. Permission to attend, pick up and drop off times will be obtained and given prior to trip.
